

About Portus Underwriting

Portus Underwriting is a specialist Property Owner MGA underwriting on behalf of certain underwriters at Lloyd's. The Lloyd's Coverholder is Stride Limited which has been trading for over 40 years. Portus Underwriting is exclusive to Stride Insurance Group, who distributes our policies across the United Kingdom through their network of over 400 brokers.

Why choose Portus Underwriting

Specialising in both residential and commercial property Portus Underwriting holds delegated authorities for both underwriting and claims which ensures that we maintain control over the quality of our products and services. With experienced underwriters who look beyond the basic risk details in order to build a full picture of the risk, we offer a comprehensive and tailored service to our partners.

Lloyd's

Portus Underwriting is a specialist managing general agent who underwrites on behalf of certain underwriters at Lloyd's. Using a Lloyd's syndicate as our security you can be assured of a stable and secure financial backing to the facility. Lloyd's has an A (Excellent) rating from A.M. Best and A+ (Strong) ratings from Fitch Ratings and Standard & Poor's. We hold delegated authority for both underwriting and claims, allowing us to maintain quality control over our products and our service.
